

How to read your bill

Questions regarding your bill?

You can call the Norris office or visit our website if you have any questions about your bill or any other service the District offers.

Detailed Account Information

Specific information such as energy usage, rate schedule, account activity, and other key details regarding your account can be found here.

Was my last payment received?

You can find out if your last payment was received and the amount that was credited.

How do I make my payment?

Return this portion of the bill with your payment. You can mail your payment in the return envelope provided or pay in person at the Norris office nearest you. You can also pay online by signing up for E-billing. We accept Visa, MasterCard, Discover, e-checks or you can use our recurring payment program.

Read your meter

Please enter your meter reading, if required, and return it with your payment. Also, include the date you read the meter and the amount of your payment.

How much electricity have I used?

This feature of the bill will let you see how much electricity you have consumed on a monthly and annual basis, along with the average cost per day.

Helpful information

Important messages related to customer service, safety, or additional products and services will be located in this space.

What have I been billed?

You will find a detailed listing of services you have been billed for, along with other charges and taxes.

Past due notice

A blue notice will appear in this space if you are delinquent in paying your account. Payment must be received by the date indicated to avoid disconnection.

How much do I owe?

The total amount you owe and when it's due are clearly shown.

Reverse side of bill:

Customer service charges and payment options are printed on the back of the bill. If your account is delinquent, notice of termination and regulations are printed in blue.
